Dave Perry will present two topics:

1) Insights into the 35th America’s Cup (May-June 2017 in Bermuda)

Dave is the Rules Advisor for *Artemis Racing*, the Swedish America’s Cup Challenger, for the 35th America’s Cup, which is being raced for this coming May and June in Bermuda. Dave will bring us up to speed on who is competing, what the boats are, what the format is, and what the inside stories are as the Cup races get closer.

2) Insights into the 2017-2020 Racing Rules of Sailing, and the Game Changes

Dave is the author of the two best-selling books on the racing rules, as well as a member of the US Sailing Appeals Committee and a National Judge. As is well known, the racing rules are frozen in time for four year periods, ending with the Olympics. The “new” rules go into effect January 1, 2017. Dave will tell us what the significant changes are in the new rules, and answer all our rules questions with his usual patience, clarity and humor.
