

OGYC 2020 Club Championship - 10/11/2020

High winds and waves forced a postponement of the annual Club Championship from Saturday, October 10th to Sunday October 11th. Unfortunately, this resulted in the loss of two competitors. This left five racers to decide the 2020 Club Championship: Lou Casolo, Kees van Meel, Michael Sullivan, Mary Desmond, and Liam Hegarty.

Sunday proved to be a much nicer day and there was a light wind from the WNW along with an ebbing tide which helped the racers get to the starting line. Five races were held allowing each competitor to serve as race committee once. Each competitor did four races and this year's winner came down to a tie breaker between Michael Sullivan and Liam Hegarty.

Congratulations to Michael Sullivan who is our 2020 Club Champion! This year's victory gives Michael back-to-back victories as he was our 2019 Club Champion last year.
