

## YRA Sundays – PRO Toolkit and Essentials

Please find the tools and documents that will make the managing of your race day easier, more accurate, and complete.

### Reviewing the SIs,

Check and print the SIs, which can be found [here](#)

### Cancelling the race day while ashore before 1300

If the weather is too severe for safe racing, cancel the race day before 1300, as per the SIs. VHF radio does not have the range to reach all the racers, but SMS text does. Each registrant has provided his/her cell numbers. To send them all a text:

1. Select this [event link](#) at Regatta Network
2. Log in with [cancel.yrasundays@gmail.com](mailto:cancel.yrasundays@gmail.com), pwd: eTRiONk5
3. Select “manage this event”
4. Select “SMS Text Console”
5. Select “All” recipients
6. Compose the message and send

### Checking in the racers

Select this [list of registered racers](#) and print the page(s). A racer must be registered in order to start a race and be scored.

### Selecting the course

Courses are typically windward/leeward, W3s or W4s, and between 20-30 minutes in duration

### Recording the finishes

Please use the [Sunday YRA Score Sheet](#) form. It has been laid out to be easy to use by you and read by the scorekeepers

### Turning in the score sheets

Take a picture of the scoresheets and email them to scorekeepers EJ Haskel and John Killeen at [yrasundays@gmail.com](mailto:yrasundays@gmail.com) before the end of the race day

### Race Committee Assignments:
