TIME LIMIT: The time limit for each race will be 3 hours and 30 minutes for the first boat to finish in each division. Boats finishing more than 60 minutes after the first boat in its division may need to take her own finish time and report it the Race Committee.

RULES and RATINGS: YRA of LIS PHRF ratings will be used. A rating will be assigned equal to the base PHRF rating of a yacht's make and model if a valid 2021 YRA of LIS PHRF certificate is not available. Yachts in division I may race with or without spinnaker. Yachts in Division I will be scored with their distance spinnaker PHRF rating. Yachts racing in Division II will be scored with their PHRF distance non-spinnaker rating. Yachts competing in Division II are prohibited from the use of any headsail whose mid-girth (mid-luff to mid-leech) is more than 50% of its foot measurement. This means: no flashers, jib only. Except when changing headsails, participating yachts may not fly more than one headsail at a time. RRS Rule 52 is hereby modified to permit Wind Vanes and /or auto pilots during racing for the doublehanded classes.

The PHRF start will be 1/2-1 mi. South of G1. Starting order of divisions is at the discretion of the race committee.

MARKS: Marks are to be passed in the order signaled. The marks of the course will be signaled by code letters in order of rounding. Course designations will be announced verbally and may also be displayed on the RC signal boat. Marks will be inflatable buoys. Windward offsets and leeward gates may be used. The lines are closed. Sailing through the start or finish line(s) other than while starting or finishing a race will result in a score of DSQ without a hearing. The race committee may employ a “keep away” mark from the signal boat. The “keep away” mark shall be considered part of the signal boat

8. Starting and Finishing Lines

The starting line shall be between an orange flag on the RC boat and the start pin. The finish line shall be between a blue flag on the RC boat and an adjacent mark on the *opposite side* of the RC boat from the starting mark, unless otherwise announced or the course is shortened.

9. Starting Procedures

1. The Sound Signal Starting System in Appendix U of the RRS will be used.
2. The RC will attempt to hail boats that are OCS, but not hearing a hail will not be grounds for redress.
3. A general recall will be signaled by repeated short signals from the RC boat. A new warning will follow as soon as possible.

10. Time Limit

The time limit for each race will be 40 minutes for the first boat to finish. Any boat finishing more than 15 minutes after the first finisher will be scored DNF. Any boat starting more than three minutes after the start signal will be scored DNS.

Arbitration will be conducted via email and if a protest hearing is required it will be held via Zoom.

12. Penalties

Rules 44.1 & 44.2 are modified to require a 1•turn penalty including one tack followed by one gybe in the same direction. RRS Appendix V2, Penalty Taken After a Race applies whereby a boat may make a post-race penalty of 20% per rule 44.3 (c) but shall not be taken after a protest hearing involving the incident has begun.

13. Scoring

1. A low point scoring system shall be used according to RRS A4, except as specified below.
2. As many races as possible will be sailed within the time limit. A minimum of one race will be sailed for scoring the Regatta. If five races or more are sailed, each boat’s score shall exclude her single worst score.

If only four are registered, prizes will be awarded to the top two finishers. If less than four boats are registered in a division a prize will be awarded to the top finisher in the division. The Birdsey Cup will be awarded to the top Ideal 18 finisher.
2. There will be an awards ceremony at OGYC after the race to award prizes.
