Sailing Instructions (SIs)

The notation '[DP]' in a rule means that the penalty for a breach of the rule may, at the discretion of the protest committee, be less than disqualification. This changes RRS 60.1(a).

1 RULES

- 1.1 The event is governed by the rules as defined in The Racing Rules of Sailing.
- 1.2 Appendix T and US Sailing Prescriptions Appendix V apply.
- 1.3 The measurement ratings and rules will be PHRF windward/leeward fully crewed ratings and non-spinnaker rules as administered by the YRA of LIS (boats are restricted to sailing with jib and main only - no spinnakers, gennakers or bloopers - with no more than one sail at any time in the foretriangle except during a seamanlike sail change).
- 1.4 Races may not be shortened prior to the second rounding mark. This changes RRS 32.
- 1.5 The course may not be changed after the preparatory signal. This changes RRS 33.
- 1.6 Once a course has been posted, a new course may not be posted unless accompanied by the hoisting of code flag "L" with one sound signal and a VHF call announcing the new course. This changes RRS 27.1.
- 1.7 For Indian Harbor YC competitors only: To be eligible for season prizes, a representative from the boat must serve at least one evening on an Indian Harbor Twilight Series race committee. If on an evening that the representative is to serve, racing is cancelled, or the boat's representative is excused from duty by the principal race officer, the boat still gets credit for serving on the race committee.

2 CHANGES TO SAILING INSTRUCTIONS

- 2.1 Any change to the sailing instructions will be posted before 0900 on the day it will take effect, except that any change to the schedule of races will be posted and communicated by 2000 on the Sunday before it will take effect. Any change other than a change to the schedule of races will be repeated as an on the water change per SI 2.2.
- 2.2 Per RRS 90.2(2), changes to a sailing instruction may be made on the water. To announce an on-water change, the race committee shall signal flag "L" with one sound signal and announce the change on VHF 65A/1065.

 - The course for each class
- 3.5 [DP] From the first warning signal until the end of that evening's racing, except in an emergency, a boat shall not make voice or data transmissions and shall not receive voice or data communication that is not available to all boats.

4 SCHEDULE OF RACES

- 4.1 Racing will be held every Wednesday evening starting May 12 and ending September 1. Each evening will consist of one race.
- 4.2 From May 12 to August 18, the scheduled time of the first warning signal is 1855; from August 25 to September 1, the scheduled time of the first warning signal is 1825.

Class 2	PHRF 90 to 159	Numeral pennant 2
Class 3	PHRF >=160	Numeral pennant 3

6 RACING AREA

The racing area is inside Captain Harbor. SI Addendum A shows the location of the racing area.

7 COURSES

- 7.1 Pre-configured courses as described in Addendum A will be signalled by a letter beneath the class number on the signal boat. Classes without a course designation beneath their class number shall sail the course of the next faster rated class to have a course.
- 7.2 Courses will not be shortened prior to the second rounding mark. This changes RRS 32.
- 7.3 Once a course has been posted, a new course may not be posted unless accompanied by the hoisting of code flag "L" with one sound signal and a VHF call announcing the new course.
- 7.4 The race committee may signal twice around by adding a "2" under the course letter. When twice around is indicated, mark T is not part of the course until the finish. For example, if Course A is B-X-Finish, then Course A2 is B-X-B-X-Finish (T)

8 MARKS

Marks are as described in Addendum B.

9 THE START

- 9.1 Races will be started using RRS 26 with the warning signal made five minutes before the starting signal.
- 9.2 If at the warning, multiple class flags are signalled, those classes will start together
- 9.3 To start classes together, the race committee will make such an announcement prior to the warning.
- 9.4 The starting line is between a staff displaying an orange flag on the signal vessel at the starboard end and the course side of the port-end starting mark.
- 9.5 Boats whose warning signal has not been made shall avoid the starting area during the starting sequence for other races.
- 9.6 If any part of a boat's hull is on the course side of the starting line at her starting signal and she is identified, the race committee will attempt to hail her sail number. Failure to hail her number, failure of her to hear such a hail, or the order in which boats are hailed will not be grounds for a redress for request. This changes RRS 62.1(a).
- 9.7 A boat that does not start within five minutes after her starting signal will be scored Did Not Start without a hearing. This changes RRS A5.1 and A5.2.

10 CHANGE OF THE NEXT LEG OF THE COURSE

Boats failing to finish within the Race Time Limit, and not having retired prior to the Race Time Limit or subsequently penalized or given redress, will be scored Time Limit Expired (TLE) without a hearing. A boat scored TLE shall be scored points for the finishing place two more than the points scored by the last boat in her class that finished within the Race Time Limit. This changes RRS 35, A5.1, A5.2 and A10.
